May 2019

Dear Parent/Carer

**Re: New School Uniform for September 2019**

Following a number of consultation opportunities, we can now inform you of the agreed changes to the school uniform for our students. The Westwood College Uniform from the new academic year, September 2019 for students in Year 9 and in Year 10 will be as follows:

- **Black Blazer – with the new school badge**
- **Charcoal Grey Trousers or**
- **Single style Grey Skirt with solid black tights**
- **White Shirt**
- **2 Colour (Black and Red) diagonal clip on Tie**
- **Optional to wear Grey V neck jumper (with red stripe in the V neck)**
- **Solid Black shoes: Not canvas, sports trainer fabric/style and no visible logo**

**In addition to items of clothing, I would like to include other relevant information regarding students presenting in school. We do not allow students to have visible facial piercings, to wear acrylic fingernail extensions or have hair dyed a non-natural colour.**

We have also agreed a new school PE kit, however to reduce costs for parents of students currently at Westwood we do not expect existing PE kit to be replaced. (Should new kit be required, i.e. a student loses or damages their PE kit it may be that only the new items will be available through our uniform suppliers).

We have sought to identify items of school uniform that are of quality, and will hopefully be substantial enough to last the remaining 2 years. We do appreciate your support in the change of uniform and look forward to the new and exciting era in our school history.

The specific items of our new uniform will be available to purchase through local suppliers, details to follow shortly. Should there be any concerns regarding the purchase of the new uniform please do not hesitate to contact either myself or Mr Edwards (Head of Year 9) where we will do our utmost to help and ensure the transition to the new Uniform is accessible for all.

Yours Sincerely

Mrs J Reader  
Assistant Headteacher
