## **Wearing the uniform:**

Students are required to wear the school uniform at all times, once in the classroom if it is more comfortable to work students can remove their Blazer/and or School Jumper. It is not acceptable that students wear only the school jumper (without a Blazer) or wear a different item of clothing in addition to or instead of the grey jumper, under their Blazer.

Shoes need to be robust and not in any way be of a 'sports style'. The nature of the site and the weather we experience does mean students will not be indoors all day therefore sensible protective footwear is both helpful and more cost effective.
