Dear Parent/Carer

**Re : History Visit to National Memorial Arboretum**

In their History course in Year 9, all students study the era of the Second World War. As part of this it is intended to visit the National Memorial Arboretum near Lichfield on Wednesday 9<sup>th</sup> October and Thursday 10<sup>th</sup> October. The students have been informed on which of these dates they will take part in the visit.

We will leave the bus park at 9.05 a.m. prompt and return there by 3.45 p.m.

The cost of the visit is £15.00 per student. This covers transport costs and learning activities at the Arboretum, which will include a guided tour and an act of remembrance and payment needs to be made via Parentpay. Students will need to bring a packed lunch with them because there will not be an opportunity to buy food on the site.

We feel this will be a relevant, interesting and stimulating visit and I am sure your son or daughter will enjoy the varied programme and benefit significantly from it.

Yours faithfully

David Morgan  
(Head of History)
