31st August 2021

Dear Parents/Carers

Returning to College

I hope that you and your families have had a good summer.

We are looking forward to welcoming students back to school on Thursday this week.

With the changes to the national Covid-19 guidance, we have updated our Risk Assessment, Infection Control Policy and Outbreak Management Plan. These can all be accessed on our website.

As outlined in previous correspondence, many of the measures that students experienced at the end of last term will no longer be in place. Students and staff will no longer need to wear masks inside school buildings, although are free to do so if they choose. Students will not be kept in year-group bubbles, although we will retain the year group areas and will encourage students to use them. We will also retain the staggered use of the canteen at lunch time, as we have found that this has been more efficient in the last 12 months. Another thing that will remain is the use of the one-way systems in the school buildings, as this has aided students in moving around the site.

Most of the information in the documents will be familiar to you from that distributed at the end of last term, although please feel free to get in touch should you have any questions or queries.

We will continue to expect the highest standards of behaviour and conduct from students. We want all students to feel safe; part of this depends on students acting responsibly and respecting the views of others.

As per recent communications, students should have completed two Lateral Flow Tests ahead of their return to school on Thursday 2nd September. If for any reason students do not have access to test kits, they can be collected from Old Hall Reception tomorrow (Wednesday 1st September) from 11.00 - 3.00pm.

Thank you for your ongoing support.

Yours faithfully

Mr M Taylor
Headteacher
