

Westwood College 16-19 Tuition Fund Statement 2021-22

The 16-19 Tuition Fund is ring-fenced funding provided to schools and colleges to support small group tuition for students aged 16 to 19.

The conditions of the funding specify that it should be used to fund tuition for students who have not achieved a grade 4 or 5 in English and/or Maths.

Westwood College will be deploying the 16-19 Tuition Fund on additional small group provision for students who have not achieved grade 4 or 5 in English and/or Maths and, where appropriate, to support disadvantaged students in reaching their full potential in their subjects.
