Additional Circumstances

The Disability Discrimination Act 1995 DDA defines a disabled person as someone who has a 'physical or mental impairment which has a substantial or long-term adverse effect on his or her ability to carry out normal day-to-day activities'. This definition would therefore include, but not be limited to, conditions such as deafness, epilepsy, chronic asthma, visual impairments, mobility issues, dyslexia and some forms of cancer. We collect and hold information about disabilities so that we make reasonable adjustments that will help students during their time with us.

If you consider yourself to have a disability, have a statement of educational needs or an EHCP, or have special access arrangements in examinations or lessons (e.g. extra time allocation, use of a computer) please tick here:

If you have any other issues which affect your progress at school which you would like us to be aware of please outline them in the box below:

Application Return Date: Although we will accept application forms at any time, students are strongly advised to apply as soon as possible, later applicants may find that some subject combinations will not be possible and classes may be full.

External students please return your form to Mrs Robinson at Westwood College, Leek ST13 8NP.
