

WWC Planned Trips and Visits, Academic Year 2023-4

The visits detailed below are calendared for the academic year 2023-4. It is the intention to run these visits, however student interest and cost may render certain visits unviable – this will only become clear when each visit goes into planning. Similarly, other visits may be offered as the academic year progresses which are not listed below – details of any additional visits will be sent to parents/carers of students via ParentPay email.
