

### Year 10 Survival Top Tips

<b>Tip 1</b>	Read, watch and listen to the news relating to the National and Global Economy as well as trends and changes in the world of business
<b>Tip 2</b>	Use the Key Term Glossary to familiarize yourself with all of the new words
<b>Tip 3</b>	Use the Scaffolding and Modelling guide when answering questions in and out of the class to get used to the assessment requirements and key skills
<b>Tip 4</b>	Create revision materials from lesson 1 after each lesson, this is far more effective for organization purposes and impact on moving things to long term memory
<b>Tip 5</b>	Be proactive and ask if you need clarification on anything in class or with homework
