

SKILLS DEVELOPED

Year 9 Survival Top Tips

Tip 1	You are starting you GCSE now. Keep all notes and full exercise books in a safe place. You will need them
Tip 2	Start to build good study habits. Set a time each week to review your learning and make notes on areas you do not understand.
Tip 3	Ask for help! From a friend or your teacher if you are unsure
Tip 4	Start learning the keyword definitions by making flashcards
Tip 5	Complete all homework on time
